Recruitment Specialists

Introduction

We have advertised and interviewed extensively this month. All the candidates profiled in this Flyer have been screened for suitability and are keen to consider new employment prospects.

Wendy De Audney
Managing Director

Experienced Candidates

1 Technical Claims / Recoveries Expert | \$60K

Extensive experience in claims processing and staff management in the recoveries area. Very familiar with claims in Motor, Home and Commercial including small Business Packs, Business Interruption, Income Protection, Theft and Fire. Loves work but the job has moved interstate.

2 Commercial Underwriter | \$54K

A candidate with 4 years junior management background, excellent customer service record and 18 mths in personal and business insurance underwriting. Experienced in assessment of multiple risks associated with portfolios ranging from Trade, Business Insurance, Commercial Motor and ISR. Good presentation & a hard worker.

3 Account Executive | \$65K neg

A confident insurance professional looking for new opportunities in Broking. Has 5 years experience in General Insurance including small commercial and business packs. For the last 9 months work has involved sports injuries, PI and D&O. A capable and enthusiastic candidate.

4 Commercial Underwriter | \$58K

An impressive professional with 3 years underwriting experience specialising in Commercial Packs (Business, Trades and Rural). A Senior Associate with ANZIFF and holds legal qualifications. This candidate has an excellent record in customer service and business development. Looking for more experience with corporate clients in PI and D&O.

5 Liability Claims Specialist | \$65K

A candidate with extensive experience emphasising liability in transport, construction, shopping centres, strata and hotels and large claims for deductibles up to \$1m. An enviable record in winning claims disputes. Now looking for another challenge that includes the supervision and management of staff.

6 Workers' Compensation Claims Advisor | \$70K

A reliable and hard working Claims Manager currently employed but looking for a busier environment and more hands-on case management. Enjoys roles that combine managing the claims process, mentoring staff and dealing with complex claims.

7 Commercial/Technical Claims | \$63K

A candidate with extensive experience emphasising liability, property, and large claims over a wide range of classes. A Specialist Claims Officer for the last 7 years responsible for a team of 6 covering PI, ISR, Contract Works and Business/Tradesman pack policies. Highly experienced, reliable, serious about insurance & enthusiastic.

8 Broker / Underwriter Assistant – Professional Risk | \$45K

A lively and enthusiastic candidate with 6 months experience as Underwriter's Assistant and 18 months clerical and data entry with a bank. Familiar with PI and D&O policy documents and completing a Degree in Maths and Finance part-time.

9 Underwriter – Commercial & Construction | \$65K

Currently employed as an Engineering Underwriter covering material damage, liability, plant and machinery breakdown. 10 years in Insurance, completed the General Insurance Code of Practice in 1998 and currently enrolled in the Financial Services Diploma. Dedicated, professional and a good communicator.

10 Commercial Claims | \$50K

A candidate with excellent professional and personal references. Just completed 6 months training with the Armed Forces, and worked for 2 years managing own portfolio of claims for a large insurer. Highly motivated and a real team player, keen to resume a career in insurance.

11 Account Manager – Life Products| \$72K

A self-motivated executive looking for the next challenge. 2 yrs as Account Manager and previously Fund Administrator have confirmed an enjoyment of client contact and Business Development roles. Completing Diploma of Financial Services (Life), with excellent communication skills, dedication and confidence.

12 Claims Specialist - ISR | \$58K

A Solicitor from UK, currently working on industrial disease and other personal injury cases related to Workers Compensation. Experienced in general litigation involving large insurers related to industrial risk, and policy disputes. Has covered PI and domestic litigation. Keen for more experience in liability and claims.

13 Claims Broker| \$57K

A confident professional currently employed as a Commercial/Property Claims Manager with more than 7 years Claims experience. Interested in opportunities especially in Claims Broking. Holds tertiary qualifications in Management and Computing.

14 Underwriter/Claims – Travel & Personal Injury Specialist | \$46K

An experienced specialist in underwriting and claims processing for travel, mature age cover and personal injury. More than 8 years in the insurance industry including 4 years in WC claims. Previously 10 years a registered nurse. Practical, reliable and competent.

15 Claims Management / Liability & Personal Injury | \$65K neg

A candidate with 2 ½ years as Senior Liability Claims Officer for a large insurer and 8 years experience as a Solicitor working largely on WC, Public Liability and Property Damage. Keen to obtain another insurance role in claims (either Liability or Workers Compensation). A good written reference attesting to manner, intelligence and diligence.

16 Claims - Experienced Temp

On a Working Visa from the UK, 3 years experience in property claims with excellent references. Has won company awards. Hourly rate negotiable.
